

FILE  
OGC +  
OLC STAFFING

11 October 1973

NOTE TO: Ben Evans

With reference to the survey of OGC and OLC positions proposed by the Office of Personnel, you will recall that I briefed you on the reason why this is coming off. I have discussed timing of the survey with Messrs. Houston and Maury. Mr. Houston states that October is as good a time as any for them and Mr. Maury states he would prefer they have his brought off in the early part of January 1974. Before I go back to OP with these dates, I thought I would first leave this information with you for your possible review with Mr. Colby per your earlier statement.

Please advise whichever way we are to move on this topic.

Administrative Officer, DCI
